INT. MIAMI UNIVERSITY - OXFORD OHIO - AUDITORIUM - DAY

Stephen Meyers, Press Secretary to Governor Morris is standing at a podium on a stage...there is a single spotlight on him. The rest of the stage is dark.

Stephen is talking into a mic with no emotion...just matter of factly.

STEPHEN
I am neither Christian...nor atheist. I am not Jewish or Muslim. What I believe...my religion is called the constitution...

A pause.

Stephen snaps his fingers in the mic. We hear the distinct sound of feedback getting louder until it stops.

We hear the director speak over the loud speaker.

DIRECTOR
Hang on...let me open these up....

We wait as Stephen looks around. He looks at stage hands who are busy working. No one pays any attention to him as he stands there. This isn't awkward for Stephen, THIS IS ROUTINE.

DIRECTOR (CONT'D)
Okay...

Lights come up on another podium revealing a debate stage.

Stephen continues.

STEPHEN
I will defend till my dying breath your right to worship whatever god you believe in...

The lights on Stephen's podium go out, he's in the dark. He keeps going.

STEPHEN (CONT'D)
If I'm not religious enough for you, don't vote for me.

To the Director.

(CONTINUED)
CONTINUED:

STEVEN (CONT'D)
You got it?

His podium light comes back on.

No answer from the Director, Stephen continues.

STEVEN (CONT'D)
If I'm not experienced enough don't vote for me. If I'm not...

DIRECTOR
Okay got it, thanks.

STEVEN
Thanks. We'll need these monitors turned up a bit...it's a big space and he wants to be able to hear.

STAGE MANAGER
You got it.

STEVEN
Also we'll need these podiums put on a riser as we agreed to in the pre-conditions. You're a few inches short and it makes it harder for the Governor to read his notes.

STAGE MANAGER
No I know, we just got those specs last night and they're building a piece to go under...

STEVEN
Great, thanks. See you guys in a few hours.

We see we're in an auditorium of a college.

Stephen meets up with BEN HARREN his staffer.

BEN
I didn't know the Governor had trouble reading his notes. Why doesn't he wear...

STEVEN
He doesn't but Pullman is 5'8" he'll look like a hobbit behind that podium.

(CONTINUED)
They walk off...

CUT TO:

EXT. MIAMI UNIVERSITY - OXFORD OHIO - DAY

ROB BRAUN, a local Cincinnati anchor, talks to camera as we see STEPHEN and BEN exit the building. Under this we hear Rachel Maddow reporting.

   RACHEL MADDOW (O.C.)
   Well it all comes down to this...We are one week away from the Ohio primary...

Camera now moves past ROB to another news truck where an MSNBC REPORTER stands in front of a camera waiting to go live. There is a monitor in front of him.

The camera keeps moving into the monitor where RACHEL MADDOW does the lead in.

As RACHEL's audio continues we see the following images.

CUT TO:

EXT. MIDDLE AMERICA

We cruise along a snow-covered rural landscape - flat, gray, desolate. In the distance we see a barn with huge red-white-and-blue letters painted on the side. They read "OHIO FOR MORRIS".

   RACHEL MADDOW (O.S.)
   Two democrats are left standing.
   Senator Pullman of Arkansas who is trailing Governor Morris from Pennsylvania.

Moments later we roll past another farm with a large billboard staked into the ground beside the road: "PULLMAN - AMERICA'S FUTURE BEGINS ON MARCH 15th".

EXT. SUBURBAN STREET

We cut to canvassers - bundled to the hilt against the cold - knocking on doors in a suburban neighborhood. Yard signs for both candidates line the street.

(CONTINUED)
RACHEL MADDOW (O.S.)
Governor Morris has mounted a sizable lead with 2047 delegates, winning New Hampshire, California, New York and Michigan...But Senator Pullman with 1302 delegates is still in the hunt having won Florida, Tennessee, Virginia and Missouri...

EXT. CITY INTERSECTION

Supporters at an intersection waving hand-made signs to cars: "HONK FOR MORRIS". A passing car lays on the horn and the supporters cheer.

RACHEL MADDOW (O.S.)
A win in Ohio could turn it all around for the Arkansas Senator...

CLOSE UP of a Pullman bumper sticker on an SUV at a stoplight, right next to a "My Child is an Honor Student" decal.

RACHEL MADDOW (O.S.) (CONT’D)
So one week from Tuesday the all important hundred and eighty one Ohio delegates could be the deciding factor..

EXT. HARDWARE STORE

A clerk placing a Morris sign in the store window. In the shop next door various TV’s are in a window display. We see RACHEL MADDOW’S report on them.

RACHEL MADDOW (O.S.)
And once again the old adage is true..."As goes Ohio, so goes the Nation."

CUT TO:

EXT. MIAMI UNIVERSITY - OXFORD OHIO - AFTERNOON

We see Satellite trucks, press vehicles, police cars, etc.

At a catering truck, MOLLY STEARNS, a 19 year old intern grabs a tray of coffees and a box of doughnuts.
CONTINUED:

We stay on her as she runs across the street and through a door...

CUT TO:

INT. MIAMI UNIVERSITY - RAPID RESPONSE ROOM - CONTINUOUS

MOLLY enters and we follow her through the campaign war room, it's the size of a coffin, jammed to the hilt with twenty-something staffers manning laptops.

We're in the hustle and bustle of a live telecast. We see multiple angles of the telecast...

SENATOR PULLMAN
Would you call yourself a Christian?

GOV. MORRIS
How would that matter?

SENATOR PULLMAN
(Reading)
"I have no idea what happens when we die, maybe nothing...maybe it was like before we were born." You did write this Governor...

GOV. MORRIS
Then let me try and clarify...I was raised Catholic, I am not a practicing Catholic...I have no idea what happens when you die and if the Senator does, then perhaps he should be President. I'll even vote for him.

The audience laughs.

SENATOR PULLMAN
Is that your idea of being specific?

MOLLY passes out coffee.

CUT TO:

INT. MIAMI UNIVERSITY - AUDITORIUM - CONTINUOUS

We're now live inside the debate.

(CONTINUED)
continued:

GOV. MORRIS
Let me be more specific. I am neither a Christian, nor an atheist, I'm not Jewish or Muslim...what I believe...my religion is written on a piece of parchment called the Constitution. Meaning I will defend, till my dying breath, your right to worship, in whatever God or lack thereof you believe in, as long as it doesn't hurt others. I believe we should be judged as a government by how we take care of those who can't take care of themselves. That's my religion. If you feel that I'm not religious enough, then don't vote for me. If you feel I'm not experienced enough or tall enough then don't vote for me. Because I'm not going to change those to get elected.

SENATOR PULLMAN
I just wanted you to say out loud if you believed in the teachings of the Bible.

GOV. MORRIS
Is this a Democratic primary or a general election?

People laugh.

SENATOR PULLMAN (ON MONITOR)
Well Governor, whoever wins this contest will be running for President...and if you don't think that these questions won't be central in a general election then you are living in fantasy land. I applaud your honesty Governor, I do...I'm simply pointing to what is obvious...we are running for President of the United States...not for student council president.

INT. MIAMI UNIVERSITY - BACKSTAGE - CONTINUOUS

PAUL ZARA - Morris's campaign manager - is waiting in the wings off stage. STEPHEN sidles up next to him.
In the background we can see the candidates shaking hands. There is applause.

PAUL is pushing fifty with the grizzled look of a hardened campaign veteran. He's Stephen's boss, the only guy between him and Governor Morris.

Arms crossed, they watch their man on stage.

PAUL
A double?

STEPHEN
A double.

PAUL
Fucking national security.

The GOVERNOR looks off stage to PAUL and STEPHEN for approval.

PAUL (CONT’D)
Outta the park.

STEPHEN
Home run.

We hear the announcer thanking everyone for attending the debate.

TOM DUFFY - campaign manager of the rival Pullman Campaign - is also watching from the wings. Duffy's smooth, calculated and icy. He walks over to Stephen and Paul.

DUFFY
I'm trying to remember if the democrats ever nominated an atheist before...

PAUL
Well, we know they've nominated jackasses before.

DUFFY
(to Stephen)
Must've been you that did the prep work. Paul's not that clever.

PAUL
You always had the brains Duffy, but me - I always had the balls.
DUFFY
(nodding to Stephen)
Looks like you got some brains now too. Be careful. I just might have to steal him from you.

Duffy walks off to greet Senator Pullman as he makes his way to the wings. Paul and Stephen eye him as he goes.

PAUL
What a prick.

CUT TO:

INT. CINCINNATI RAMADA INN - THE BAR - NIGHT

Stephen, Paul, Ida, and Ben are having drinks around a table. The mood is festive. There is a piano player playing, singing.

PAUL has a roll-away suitcase beside him.

IDA
So Paul, tell me something I don't know...tell me what's gonna happen on the 15th.

PAUL
Ha-ha.

IDA
What?

PAUL
What do you think Stevie?

STEPHEN
It's ours for the taking.

PAUL
Ben?

BEN
We'll win.

PAUL
What do you think Ida?

IDA
I'm asking you.

PAUL
You tell me and I'll tell you.

(CONTINUED)
IDA
If had to say, I'd say it'll be close, but you'll eke it out.

PAUL
Eke?

To STEPHEN.

PAUL (CONT'D)
You see, she's trying to get under
my skin.

IDA
So what's gonna happen?

PAUL
Us by nine.

IDA
Nine? There's no way you'll win by
nine.

STEPHEN
At least. Maybe more.

IDA
(To PAUL) So you're certain you're
gonna win here?

PAUL

IDA
You just said you'll win by nine.

PAUL
And I think we will, but I won't
tell you it's a sure thing. Fucking
Saint Gabriel can blow his horn on
election day and get his four
horseman to rig the ballot boxes
for Pullman and it wouldn't
surprise me. Don't get me wrong.
Six presidential I've done and
I've never felt this good. But am I
gonna sit here and say "Yes -we
will definitely win Ohio"? Not a
chance. In the last thirty years
seventy-three Democrats have run
for president. How many have won?
Three.

(MORE)
That means seventy guys ran who thought they had a chance, and they all lost.

IDA
So you're saying there's a good chance you won't win.

PAUL
Don't twist my words. What I'm saying is that I'm not going to promise we'll win. But he's decorated by Bush Senior from the first Gulf war and protested the second. He left his state with a balanced budget and the fourth highest education rate. The Republicans have nobody out there that can touch this guy...so for this moment, this election, this primary is the presidential. And that Ida, is the state of the union. And on that note, I'm gonna take a shit.

PAUL swigs down the rest of his drink and exits.

IDA
So Stephen...

STEPHEN
Yes Ida?

IDA
Stephen, Stephen, Stephen....

STEPHEN
Here it comes...hit me.

IDA
Paul's going to the airport?

STEPHEN
Yes?

IDA
Getting on a plane.

STEPHEN
Mmhmm.

IDA
Where is that plane going?
STEPHEN
Three guesses.

IDA
Not going back to headquarters.

STEPHEN
Correct.

IDA
He's not going to Texas?

STEPHEN
No need, we'll split Texas, it's a wash.

IDA
What if I said North Carolina?

STEPHEN
That's your guess?

IDA
He's going to North Carolina.

STEPHEN
I will neither confirm nor deny that statement.

IDA
I knew it. Now tell me why.

STEPHEN
That I cannot do.

IDA
I hate you.

STEPHEN
You love me.

IDA
I love Paul. You I hate.

STEPHEN
You only love him because he gives you all the scoops.

IDA
Sexual favors?

STEPHEN
You're engaged.

(CONTINUED)
IDA
If it meant a good scoop my fiance would understand.

Beat.

IDA (CONT'D)
You really buy into all this crap?
All this take back the country nonsense?

STEPHEN
Ida I'm not naive about this stuff. I've worked on more campaigns than most people do by the time they're forty...I'm telling you this is the one.

IDA
You really have drunk the kool-aid.

STEPHEN
I have drunk it it's delicious. I don't care whether he leads in the polls...I don't care whether he has all the tools...Because the truth is, he's the only one that's going to make a difference in peoples lives...Even the people that hate him. If Mike Morris is President it says more about us than it does about him. I don't give a fuck if he can win. He has to win.

IDA
Or what? The world will fall apart? It won't matter...Not one bit to the everyday lives of everyday fuckers who work and eat and sleep and get up and go back to work again. If your boy wins...You get a job in the white house...If he loses you're back at a consulting firm on K Street...That's it. You used to know that before you got all goosebumpy about this guy. Morris is a politician...He's a nice guy...They're all nice guys.

(MORE)
IDAZ (CONT'D)
He will let you down...sooner or later.

CUT TO:

EXT. RAMADA INN SIDEWALK - LATER
IDA and PAUL walk to Ida's car.

PAUL
This is off off off the record.

IDA
What?

PAUL
Franklin Thompson.

IDA
Seriously?

PAUL
Off the record. The only people who know are the Governor, Stephen and me.

IDA
My lips are sealed.

PAUL
I have a meeting tomorrow at Thompson's house.

IDA
He's gonna endorse?

PAUL
After I'm done talking with him, what do you think?

IDA
That's huge.

PAUL
It's more than huge. He has 356 pledged delegates...they all travel with him. That puts us over the top.

IDA
He's said publicly he's not gonna endorse anyone.
CONTINUED:

PAUL
That's what they all say until we get them alone in a room.

IDA
So this is for real?

PAUL
Yup. It's just about in the bag.

IDA
When are you gonna announce?

PAUL
Nope. That's all you get for now.

CUT TO:

EXT. MORRIS HEADQUARTERS - CINCINNATI - NEXT DAY
Establishing shot.

INT. MORRIS HEADQUARTERS - CINCINNATI - NEXT DAY
Ben walks around to all the staffers, he hands out new cell phones.

BEN
Okay so listen up...these are your new cell phones...Shelly has pre-programmed everyone's numbers in...thank you Shelly...no personal calls...if you lose them, Paul has authorized me to kill you.

Ben walks into Stephen's office and hands him his new phone.

BEN (CONT'D)
New phones...

STEPHEN
I'll get it in a bit...

As Ben leaves, we see that Stephen is looking at early footage of Governor Morris. Another staffer and an editor are watching it with him. Outside the office we can see other staffers, through the glass partitions, running around in campaign mode.

We see some of the footage.
GOV MORRIS (ON MONITOR)
The economy... health care... I've got to believe we can do it. We have enemies... we have to understand why our enemies are our enemies, and see if there is something we can do about that besides using force. What we know from history is the answer to extremism is not extremism. Whoever is the next president, whoever steps up, has got a lot of work to do, but you have a little work to do yourself.

Stephen hits pause.

STEPHEN
Fucking kill me... where did we get this?

EDITOR
Before he announced at a town hall meeting in Pennsylvania...

STEPHEN
Thank God it wasn't overseas. Just get rid of it -

EDITOR
It plays to his base, if-

STEPHEN
Are you fucking stoned... this is the same... the exact same piece the Republicans are gonna run against him in the general... we don't need to brag about it... Hi I'm Neville Chamberlain and I want to be your commander in chief.

EDITOR
If it's gonna come out-

STEPHEN
It's gonna come out but not paid for by us pal. (To Staffer) Any truth on whether Pullman had investments in those diamond mines in Liberia?

(CONTINUED)
STAFFER 1
We're still checking...it was a blog so who the fuck knows...

STEPHEN
Doesn't matter I want to hear him denying it. If it's true, find out, if it's not, let them spend the next day telling the post that he doesn't own a diamond mine in Liberia...win win.

STAFFER 1
Okay.

STEPHEN
We need to counter this Christian shit we're taking from last night...so get going...Where's our cut on the new thirty and a sixty second spots? We'll show it to him this afternoon in the staff meeting.

EDITOR
Got it.

The Editor and staffer exit.

Stephen turns to his computer and types as Molly walks in and hands him some papers.

MOLLY
Ben wanted me to get you to sign off on this before the staff meeting.

STEPHEN
Oh, right. Thanks. I've been waiting for this.

MOLLY
Anything interesting?

STEPHEN
Just some white paper I gotta pass out tonight.

MOLLY
White paper?
STEPHEN
Negative shit. Our oppo guys do research - we feed it to the press, hope they bite.

MOLLY
So like what sort of negative stuff?

STEPHEN
Read tomorrow's paper and you'll see.

MOLLY
Which paper?

STEPHEN
All of them.

MOLLY
So it's something big?

STEPHEN
I wish it were something bigger actually. Just some transportation numbers. I'll have to spin this shit pretty heavy if we want it to stick.

MOLLY
Well that's what you're good at, right?

STEPHEN
I guess.

MOLLY
(Holding up her phone)
Did you get your phone?

STEPHEN
(Holds his up)
Just now.

MOLLY
(Mock serious)
It's exciting isn't it?

He looks at her.

STEPHEN
You a Bearcat...?
MOLLY
A what?

STEPHEN
A Cincinnati Bearcat?

MOLLY
Oh no...I'm not from here...I worked with you in Iowa actually.

STEPHEN
Oh that's right...but you changed something. (Searching for a way out.)

MOLLY
My hair?

STEPHEN
You changed your hair.

MOLLY
(Enjoying this)
No..

STEPHEN
I must look like a total dumb ass right now.

MOLLY
Not at all...you're the big man on campus...I'm just a lowly intern.

STEPHEN
Come on it's not like that.

MOLLY
Sure it is...you get to stay at the Millennium, they put us into a motel on the other side of the river.

STEPHEN
You're right, I am big man on campus.

MOLLY
Now you're starting to see.

She starts to leave.

MOLLY (CONT'D)
We do have the better bar though.

(CONTINUED)
STEPHEN
I heard that.

MOLLY
You ought to stop by one night and have a drink with the worker bees.

STEPHEN
Maybe I will...when's a good night?

MOLLY
Tonight's good...

STEPHEN
Really? Tuesday?

MOLLY
Yeah it's quiet.

STEPHEN
Quiet's good.

MOLLY
Well you have my number.

STEPHEN
I do?

MOLLY
Programmed right there in your phone.

STEPHEN
Oh...right...(He opens the phone)

MOLLY
Under Mary.

STEPHEN
(Looking at the phone)
Yup...Mary.

Molly laughs. Then, as she exits:

MOLLY
Molly...my name's Molly...

Stephen smiles to himself.

CUT TO:
INT. SENATOR THOMPSON'S HOUSE - CHARLOTTE N.C. - DAY

We follow a housekeeper down the hallway and into the living room where we see Paul sitting with, Senator Thompson.

SENATOR THOMPSON
That's what I'm hearing...since Super Tuesday I'm a very popular guy. What are your polls telling you?

PAUL
That Pullman's negatives are high...mid forties. Senator we have an open seat in the White House and the Republicans don't have dick. They're disorganized and they can't find a nominee that isn't a world class fuck up. They look like Democrats. No Republican is gonna show up to vote for their guy. But if Pullman gets the Democratic nod they'll show up to vote against him.

SENATOR THOMPSON
And so you think they won't for your guy...you think Morris gets into the independents?

PAUL
I sure do. Senator...I'm a bit confused...we need your delegates...we need you...your fund raising. It was my understanding that...your endorsement a week before Ohio...would win this for us...

SENATOR THOMPSON
(Looks to his aide)
Estella...hand me that ice bucket.

CUT TO:

INT. MORRIS HEADQUARTERS - CINCINNATI - SAME DAY

We're in a staff meeting with the brain trust. Paul's gone but the rest are there...STEPHEN, BEN, GOVERNOR MORRIS. MOLLY is running in and out, she gets glances from all the guys.

(CONTINUED)
CONTINUED:

STEPHEN
Paul knows...Paul agrees...

GOV. MORRIS
Ben, where's my op ed on national service? It's better for me to work off of that.

BEN
Got it right here. (He opens his laptop.)

GOV. MORRIS
Get me a hard copy...I hate these fucking things...

STEPHEN
Print it out.

BEN
I'll get it printed. Molly, I'm printing out this op ed...can you grab it off the printer?

MOLLY
Be right back.

STEPHEN
Governor...if you want to change...or lets call it refresh...

GOV. MORRIS
Just give me a second...

STEPHEN
National service isn't polling like the rest of your domestic policy.

GOV. MORRIS
I don't give a shit about polling...I'm not going to play this game with you Stephen...and if this is your good cop bad cop act with Paul...

STEPHEN
Good cop, good cop.

GOV. MORRIS
I'm not changing it.

MOLLY returns and hands the Governor a copy.
GOV. MORRIS (CONT'D)

Hang on.

He reads down until he finds what he's looking for.

GOV. MORRIS (CONT'D)

Yeah I said it all here, "It's going to help people get an education...it's going to create national unity...it's going to teach young people a trade...and it's going to help get people out of debt from college loans. Tell me where that fails.

STEPHEN

All of that is exactly right...Governor if you're going to do it...then do it. Don't make it voluntary...mandatory.

GOV. MORRIS

That'll poll well.

STEPHEN

Mandatory!...everyone who graduates high school or turns eighteen, gives two years to his or her country. Military...peace corps...plant fucking trees, I don't care...and for that...their college education is paid for...period.

GOV. MORRIS

We do all of that now, with this...

STEPHEN

No sir you don't...do it all...all the way. Mandatory.

GOV. MORRIS

Paul likes this?...you guys are my brain trust.

STEPHEN

And here's the beauty of it...everyone who is older than eighteen and past the age of eligibility, would be for it...create national pride...give all the kids an education.
And all the others?

Can't vote. Too young.

This sits with them. Some start to smile.

You can't lose.

MOLLY enters.

MOLLY
Stephen you have a call on three, your dad.

Okay, you and Ben work it into the stump speech - get me a hard copy and I'll write it in my own words.

Remember, Governor... you have a six o'clock with Charlie Rose...

Why am I doing him?

It's long form... he's flying in...

Is Paul going?

No, he won't be back... Ben and I are taking you...

He exits.

INT. STEPHEN'S OFFICE / INT. DUFFY'S OFFICE CONTINUOUS

STEPHEN picks up the receiver and pushes line three.

...Don't tell me anyone's died...

Hey Stephen...
CONTINUED:

STEPHEN
Who is this?

DUFFY
Tom Duffy...sorry about the dad bit...but I didn't think you'd want my name yelled out at a Morris campaign office.

STEPHEN gets up and closes the door.

STEPHEN
What do you want?

DUFFY
You got a couple of minutes...I'd like to sit down with you.

STEPHEN
What for?

DUFFY
I think it's important.

STEPHEN
If it's important shouldn't you be calling Paul?

DUFFY
I'm calling you...This is all on the up and up...just give me five minutes.

STEPHEN
I can't be talking to you...

DUFFY
I hear you...but if you get five minutes...I'll be at the Heads First Sports Bar for the next couple of hours.

STEPHEN
I can't Tom.

DUFFY
There won't be anybody there...if you get a chance there's something I want to show you.

DUFFY hangs up. STEPHEN sits for a few beats. He picks up his cell phone and dials...it goes straight to voice mail.
CONTINUED: (2)

STEPHEN
Paul, listen, call me as soon as you can...it's important.

STEPHEN hangs up the phone and we stay with him.

CUT TO:

INT. STEPHEN'S RENTAL CAR - OUTSIDE HEAD FIRST SPORTS BAR - LATER

STEPHEN sits in the car, he watches the door of the bar making sure no one is around.

CUT TO:

INT. HEAD FIRST SPORTS BAR - CINCINNATI - LATER

We're in a run-down bar in Cincinnati. The furniture is shabby - Formica tables, cheap metal framed chairs. The place is desolate except for TOM and STEPHEN who sit at the bar.

DUFFY
You're working for the wrong man.

STEPHEN
You're working for the wrong man.

DUFFY
Oh on the contrary you are working for the wrong man. You've got something the other guys don't have.

STEPHEN
Yeah?

DUFFY
Yeah, what is it exactly? Charm isn't the right word. It's more than that. You exude something. You draw people in. All the reporters love you. Even the ones that hate you love you. You play them all like they're pieces on a chess board. And you make it look effortless. We both know how much work it takes, constantly being on guard, weighing every word so carefully, every move. But from the outside, you make it look easy.

(MORE)
People are scared of you because they don't understand how you do it, and they love you for it. There's nothing more valuable in this business – the ability to win people's respect by making them mistake their fear for love. You can guess what I'm gonna say next.

STEPHEN
No...I don't think I can.

DUFFY
I want you to work for us.

STEPHEN
You gotta be kidding me.

DUFFY
Not in the least.

Beat.

You are going to lose Ohio.

STEPHEN
I am not.

DUFFY
You're sitting on about a six percent lead in both polls...six percent of the Democrats polled.

STEPHEN
Eight.

DUFFY
Six...but that doesn't matter...Independents and Republicans can vote for the Democratic candidate.

STEPHEN
You think they like your guy?...pro choice...tax and spend liberal?
They look at each other.

DUFFY (CONT’D)
And by the way...we've got Thompson in the bag.

STEPHEN
I know for a fact that Thompson is going with us.

DUFFY
We promised him Secretary of State, Ohio is over...it's been over for weeks...and with Thompson's delegates...I'm thinking down the road now...that's why I want you...I'll bring you in straight at the top.

STEPHEN
I can't do it.

DUFFY
I'm not asking for an answer right this moment.

STEPHEN
I've played dirty but I don't have to play dirty anymore...you know why? Cause I got Morris!
DUFFY
None of this is about the
democratic process Steve, It's
about getting your guy into office.
Simple as that.

STEPHEN
This is the sort of shit the
Republicans pull.

DUFFY
You're right, this is exactly what
the Republicans do, and it's about
time we learned from them. They're
meaner, tougher and more
disciplined than we are. I've been
in this business for twenty five
years and I've seen way too many
Democrats bite the dust because
they wouldn't get down in the mud
with the fucking elephants.

STEPHEN
Paul's a friend.

DUFFY
Do you want to work for a friend or
do you want to work for the
President? Think about it...you
have my number.

Duffy gets up and leaves.

CUT TO:

EXT HEAD FIRST SPORTS BAR / PAUL'S RENTAL CAR /
RESIDENTIAL STREET

STEPHEN walks to his car. He dials PAUL on his phone. Paul
is in North Carolina driving.

We intercut.

STEPHEN
Paul.

PAUL (O.S.)
They don't make quaaludes any more
do they?

STEPHEN
Not that I know of. What's going
on with Thompson?
PAUL (O.S.)
He wants something but we'll be fine... So what's so important?

STEPHEN
It's nothing...never mind.

PAUL (O.S.)
Allright...I'm on the cell if you need me. I fly to DC tomorrow and back tomorrow night.

STEPHEN
Yeah okay...I'll look for quaaludes.

PAUL (O.S.)
Good man.

STEPHEN ends the call. He stands in silence.

CUT TO:

INT. HOTEL ROOM - CINCINNATI - NIGHT

We're in the bathroom of a hotel room. GOVERNOR MORRIS is being made up for the Charlie Rose Show. A SECRET SERVICE AGENT stands in the adjoining room. The GOVERNOR talks to the MAKE-UP LADY while STEPHEN and BEN stand in the adjoining room as well.

STEPHEN
(to Ben)
Just get online and see if there's any chatter on the blogs...

BEN
What kind of chatter? There's always chatter.

STEPHEN
I don't know... just see what they're talking about.

BEN
Give me a second...

He sets his laptop down and starts typing.

The Governor, who's been talking the whole time, yells out through the door.

(CONTINUED)
GOV. MORRIS
Stephen... you're still single, right?

STEPHEN
I'm married to the campaign, Governor.

GOV. MORRIS
Good answer.
(to the make-up girl)
He's married to the campaign...

BEN
(looking at his computer)
Wall Street Journal poll has our numbers holding steady and Pullman dropped a point.

STEPHEN
Really? When did they do that? Governor... Wall Street Journal numbers are in... and Pullman's down a point.

GOV. MORRIS
Now we're moving in the right direction. Ben, are you still single?

BEN
I'm married to the campaign, Governor.

GOV. MORRIS
(to the make-up girl)
Crack team.

The GOVERNOR starts to sing "The Best Is Yet To Come".

STEPHEN
(to Ben)
Make sure Charlie Rose has these latest numbers before he goes on...

BEN
(jumps up)
I'm on it.

STEPHEN
And get a copy of the show before we leave...

HARD CUT TO:

INT. HOTEL CONFERENCE ROOM - MINUTES LATER

The room has been transformed into an interview space.

On air-

CHARLIE ROSE and GOV. MORRIS mid-interview...

GOV. MORRIS
Is it a difficult decision? I would have to believe that it is... would I do it? No... but I can't see myself... or anyone... certainly not a government, telling a woman what she can do with her body.

CHARLIE ROSE
So you would appoint a judge to...

GOV. MORRIS
... I would consider it arrogant to judge someone until I've walked in their shoes.

CHARLIE ROSE
But you're against the death penalty?

GOV. MORRIS
Yes. Because of what it says about us as a society.

CHARLIE ROSE
Suppose Governor it was your wife...

GOV. MORRIS
And she was murdered, what would I do.

CHARLIE ROSE
It gets more complicated when it's personal.

(CONTINUED)
GOV. MORRIS
Sure...well if I could get to him I'd find a way to kill him.

CHARLIE ROSE
So you, you Governor would impose the death penalty.

GOV. MORRIS
No, I would commit a crime for which I would happily go to jail.

CHARLIE ROSE
Then why not let society do that?

GOV. MORRIS
Because society has to be better than the individual. If I were to do that I would be wrong.

CHARLIE ROSE
And what about guns?

GOV. MORRIS
Isn't it time for a commercial.

They laugh.

CHARLIE ROSE
This is public TV, we don't have commercials...

GOV. MORRIS
That's unfortunate.

INT. MOTEL - KENTUCKY - NIGHT

We're in Kentucky, just over the Ohio River from Cincinnati. This is where all the interns stay.

In the hotel bar, Stephen and Molly are sitting at a back table, they've both been drinking hard.

STEPHEN
Where'd you go after Iowa?

MOLLY
California for Super Tuesday.

STEPHEN
I had to go to New York.
MOLLY
I know...you guys needed a lot more help over there.

STEPHEN
Yeah. So why politics?

MOLLY
Because the pay is so good.

STEPHEN
It just seems like an odd fit.

MOLLY
My dad is Jack Stearns.

Beat.

STEPHEN
He's a good guy.

MOLLY
He's an asshole but he's your boss.

STEPHEN
He's not my boss. He's the head of the DNC.

MOLLY
You don't work for the Democratic National Committee?

STEPHEN
I work for Paul, Paul works for Morris and if Morris wins, he's going to be your dad's boss.

MOLLY
Don't tell my dad that.

STEPHEN
Don't tell your dad a lot of things.

MOLLY
Never.

STEPHEN
What time do you start tomorrow?
MOLLY
Nine AM...I'm showing the new interns how to robo call...you see...I'm the experienced intern.

STEPHEN
I do see...

MOLLY
How old are you?

STEPHEN
How old do you think I am?

MOLLY
Thirty?

STEPHEN
You think I'm thirty?

MOLLY
I'm sorry, how old are you?

STEPHEN
Thirty...how old are you?

MOLLY
How old do you think I am?

STEPHEN
Twenty one?

MOLLY
Twenty.

STEPHEN
That's young.

MOLLY
Too young to fuck a thirty year old?

STEPHEN
See laws are different in different states. Here in your hotel, in Kentucky...it's frowned upon...but we'll go across the bridge into Ohio...

MOLLY
Where your hotel is?
Stephen
Yeah surprisingly they're very lax about their child endangerment laws...

Molly
You have a car? I don't drive.

Stephen
I took a cab.

Molly
I have the keys to the campaign bus...

On their smiles

Cut to:

Ext. Millennium Hotel - Cincinnati - Minutes Later

The Morris campaign bus is parked badly, a tire up on the curb in front of the hotel.

Int. Millennium Hotel - Stephens's Room - Early Morning

Stephen is on his cell phone, he paces back and forth in front of the TV - A news show is on.

Molly is in bed - sheets pulled up around her, she's just waking up.

Chris Matthews (On TV)
In fairness, this has been tried before...Operation Chaos, as Rush Limbaugh called it, where Republicans voted for a Democrat they thought they could beat in the general election. We asked Senator Pullman's campaign manager if this sudden right wing support is welcome...

Cut to a pre-tape with Duffy.
DUFFY (O.S.)
Is it decisive?...Of Course
not...look, we believe that the polls are within the margin of error and that the Senator will win Ohio...with Ohio Democrats...I can't really see Republicans showing up to vote for our candidate...having said that, we'll take all the support we can get.

STEPHEN
(On the phone)
What time does Paul land?...
Christ...who do we talk to about polling?...no...I just...I just need to get some internal polling on the fucking Independents and the right-wing nuts.

MOLLY
Do you want me to go?

He gestures for her to wait.

STEPHEN
Listen, put me on the line with...what's the guy's name at the Wall Street Journal?... yeah...

MOLLY
You seem busy...I should go.

He whispers to her.

STEPHEN
Wait.

Back to phone.

STEPHEN (CONT'D)
Right...Adler...get me on the line with him.

MOLLY
Steve?

She starts to get dressed.

STEPHEN
Molly listen, just give me a second...I want to talk to you about something.

(CONTINUED)
CONTINUED: (2)

MOLLY
We can talk about it later if...

Stephen holds his finger up.

STEPHEN
(Into phone)
What? No nobody...just the cleaning lady...listen Ben...keep trying till you get him. We're gonna go with the position that we've always said, the race is closer than the polling...right...no don't...don't say that...just get him on the line and call me...I'll handle it...yup.

He hangs up.

STEPHEN (CONT'D)
Sorry about that.

MOLLY
The cleaning lady.

STEPHEN
What?

MOLLY
You called me the cleaning lady.

STEPHEN
You're not mad about that are you?

MOLLY
No why would I be mad?

Beat.

MOLLY looks at the TV.

MOLLY (CONT'D)
Look.

STEPHEN'S eyes go to the TV where CHRIS is still talking.

CHRIS MATHEWS
Earlier I spoke with Jack Stearns, head of the DNC, and he had this to say...

(Continued)
JACK STEARNS
I know you're looking for a reaction, but listen we have two great candidates in a very tight race...and at the end of the day the voters will decide who best can represent this party in the fall.

CHRIS MATHEWS
I understand Jack - but doesn't this kind of disruption take away from what you want to be pushing this year?

Back to STEPHEN

STEPHEN
Your dad is an asshole.

MOLLY
I'll tell him you said that.

STEPHEN
Do that.

MOLLY
You said you wanted to talk to me about something?

STEPHEN
Yeah, I just wanted...I just wanted to be clear about everything...so there's no confusion...

MOLLY
I won't tell anyone about last night.

STEPHEN
Well yeah, I'd appreciate it if we kept this...I mean, you know how people are.

MOLLY
Really wouldn't look good if you screwed an intern.

STEPHEN
It's not like I got drunk and this happened...I mean...I wanted to...I really like you...you're smart...but I just...I don't want there to be any expectations...

(CONTINUED)
MOLLY
Steven, you don't have to say anything.

STEPHEN
I just don't want you to think I'm some kind of player.

MOLLY
Well you are kind of a player, but that's okay.

STEPHEN
No I'm not. I was being polite.

MOLLY starts to tie STEPHEN'S tie.

MOLLY
Bullshit...you were trying to pick me up.

STEPHEN
No I wasn't.

MOLLY
You were pretty obvious about it.

STEPHEN
I was?

MOLLY
Totally.

STEPHEN
I thought I was being all smooth and subtle.

MOLLY
You were pretty forward.

STEPHEN
You were pretty forward ...inviting me to the bar.

MOLLY
Well...I've been trying to fuck you for a while.

STEPHEN
Wow.

MOLLY
Pretty slutty of me, huh?
STEPHEN
No, not at all...I mean I kind of respect it in a weird sort of way.

MOLLY
Good.

STEPHEN
You have absolutely no idea how to tie a tie do you...

MOLLY
No no not a clue.

STEPHEN
You're very mature.

MOLLY
For a teenager.

Molly kisses him and exits.

CUT TO:

EXT. TARMAC - LUNKEN AIRFIELD - CINCINNATI - LATER

We Intercut with PAUL driving.

STEPHEN walks towards a private jet, the GOVERNOR is at the plane talking to some aides.

STEPHEN
When are you coming back?

PAUL
I'll be at the event...a little late...these cock suckers...fucking dirty shit.

STEPHEN
What happened with Thompson?

PAUL
Nothing, the prick...we had him all sewed up...MOTHER FUCKER...how bad is it?

STEPHEN
I'm running some numbers now...I don't know...

(CONTINUED)
Paul
Alright, I'll be there in three hours...I want hard numbers...and a strategy.

Stephen
Yeah I'm on it...I gotta go.

He hangs up.

INT. PRIVATE JET

The Governor and Stephen are flying through a bad storm, the plane is getting knocked all around. Also on Board are Ben and a Secret Service Agent. Stephen is holding onto the armrests, white knuckling it, the Governor watches him.

Governor Morris
You okay?

Stephen
Yup...(Nope) Just trying to figure out our stops on the ground.

Governor Morris
I think the weather might determine that. If we get there.

Both men sit with their heads back on the headrests.

Stephen
We'll be fine...we have to do it...and it's the right thing. Nothing bad happens when it's the right thing.

Governor Morris
Is this your personal theory...cause I can shoot holes in it...Roberto Clemente...on a humanitarian flight.

Stephen
Well there are exceptions to every rule...

They smile. The Governor looks at Stephen.

Governor Morris
So how we doin?

Stephen
Fine now.

(Continued)
GOV. MORRIS
No I mean...the campaign how we doin?

STEPHEN
Great...

GOV. MORRIS
Listen Stephen...you're not Paul. I pay him to use the word "great". I pay you to tell me the truth.

STEPHEN
I think we're solid.

GOV. MORRIS
Okay Paul.

STEPHEN
Governor there's a big difference between Paul and me. Paul only believes in winning so he'll do or say anything to win.

GOV. MORRIS
But you wouldn't.

STEPHEN
I'll do or say anything if I believe in it...but I have to believe in the cause.

GOV. MORRIS
You'll make a lousy consultant when you're out of this line of work.

STEPHEN
Well I won't be out of this line of work as long as you're in it.

GOV. MORRIS
So at best you've got eight years...then you'll end up with a nice little consultant firm on Farragut North...eating at the Palm...pulling in seven hundred and fifty grand a year...pimping out Senators to Saudi Princes.

They both smile.

STEPHEN
Pimping out ex presidents...

(CONTINUED)
CONTINUED: (2)

GOV. MORRIS
Then I better win...

STEPHEN
Yeah.

CUT TO:

INT. KENT STATE UNIVERSITY - OHIO - LATER

We're in a large hall. GOVERNOR MORRIS is on stage, he stands in front of a huge American flag. Morris's wife CINDY is standing in the wings along with their seven year old daughter BETH.

GOVERNOR MORRIS addresses the crowd.

GOV. MORRIS
Now, I've been married for eleven years, to the smartest person I know...and we have a normal marriage...which means when we disagree...she wins. What we don't ever disagree on is how we're going to leave this planet for our daughter. Are we gonna leave it better off, or worse? The richest people in this country don't pay their fare share. And when they're asked to, they cry socialism, they use phrases like redistribution of wealth. That scares everybody and they all run and they hide. For the record, my campaign is vehemently against the distribution of wealth to the richest Americans, by our government! And I will run on that!

INT. KENT STATE UNIVERSITY - BACK STAGE - CONTINUOUS

PAUL and STEPHEN are back stage behind the huge American flag. We can hear the Governor's speech in the B.G.

STEPHEN
I didn't think it was true.

PAUL
Whoa...

STEPHEN
But I should have told you this yesterday...sorry...

(CONTINUED)
PAUL
-Slow down.

STEPHEN
I met with Tom Duffy yesterday.

PAUL
What?

STEPHEN
You were on a plane and he called me and he asked if we could meet...And I said why...he said it was very important so I did...but I should've fucking told you...

PAUL
Stop Stop let me get this straight.
You met with Tom Duffy?

Yes.

PAUL
What'd he want Stephen?

STEPHEN
-the gist of it is he wants to hire me. He wants me to jump ship and come work for him...this is bad Paul. He showed me poll numbers with Pullman ahead by four. We're in really deep fucking trouble he laid out their whole plan. Robocalls, traffic jams, fake lit, and fucking Thompson. They promised him Secretary of State.

CUT TO:

INT. KENT STATE UNIVERSITY - STAGE - CONTINUOUS

GOV. MORRIS
You know how you fight the war on terror?...Don't need their product anymore. Their product is oil, just don't need it and they go away. We don't have to bomb anyone we don't have to invade anyone!

CUT TO:
INT. KENT STATE UNIVERSITY - BACK STAGE - CONTINUOUS

PAUL
If this is some sort of practical—I mean—my fucking blood pressure is going through the roof right now.

STEPHEN
Paul I'm sorry. Believe me...I just didn't think it was true.

PAUL
It doesn't fucking matter what you thought. It matters what you did. It matters what you didn't do. If all this shit is true I made a fucking ass of myself at Thompson's place. And I gave away our game plan.

STEPHEN
Please believe me that I honestly believed you were gonna come back and you were gonna tell me that we have Thompson in the bag and I didn't see the point. But it doesn't make it right and I'm sorry.

PAUL
Let me think...let me think...

CUT TO:

INT. KENT STATE UNIVERSITY - STAGE - CONTINUOUS

GOV. MORRIS
If I'm your president, the first thing I put in motion, ten years from the day I'm in office...no new car in America runs on an internal combustion engine. It'll create hundreds of thousands of new jobs...we will start the next technological revolution and we will lead the world again...like we used to...

CUT TO:
INT. KENT STATE UNIVERSITY - BACK STAGE - CONTINUOUS

PAUL
We get the Governor right after he finishes singing Kum Bay Ya and give him everything we know.

STEPHEN
Who do you want...

PAUL
You, me and the Governor, that's it! What's he got after?

STEPHEN
A fund-raiser in Cleveland tonight.

PAUL
He'll be late...we're gonna tell him that if he doesn't offer Thompson a cabinet position...he's not gonna get the nomination.

STEPHEN
Will he go for it?

PAUL
I don't fucking know Stephen.

As Paul exits he shoots back.

PAUL (CONT'D)
Find us a room...

CUT TO:

INT. KENT STATE UNIVERSITY LOBBY

MOLLY walks up the steps of the auditorium into the lobby, a staffer hands her some papers and she continues. We pull her down a corridor and land at a rehearsal room door. She hands the papers to BEN.

The Governor's wife CINDY, daughter BETH and a security man are waiting outside the door.

INT. KENT STATE UNIVERSITY - REHEARSAL ROOM

GOV. MORRIS
How real are the numbers?

(CONTINUED)
CONTINUED:

STEPHEN
We might pick up a couple of points...but we're...I don't know, we lose by three or four percent.

PAUL
Who the fuck knows Governor...but we can't take the chance...

GOV. MORRIS
What do you think?

PAUL
I think we fold up the campaign in Ohio...take a loss and blame it on the Republican's playing games...head to North Carolina.

GOV. MORRIS
I can't run from Ohio...they'll kill us.

PAUL
Not if you get Thompson's endorsement.

GOV. MORRIS
I'm not gonna do it. What's he want head of the FDA or something ridiculous?

STEPHEN
Cabinet post.

GOV. MORRIS
Labor?

STEPHEN
State...

This sits with them.

GOV. MORRIS
Are you fucking kidding me...I'm gonna give Secretary of State to a guy who wants to cut the top ten floors off the UN? Paul when we started this campaign I said I wasn't gonna make those kind of deals.
PAUL
Governor, if you lose Ohio, and they get Thompson's delegates...Then they get North Carolina...then they get the lead. A lead you can't beat. But if we walk from Ohio, take Thompson, give him a cabinet post, then we take North Carolina. His state. Then Pennsylvania. Your state. And then it's simple math Mike. Take his endorsement and the race is over.

GOV. MORRIS
Paul, I respect you...respect your opinion...but I'm never gonna do it...so I suggest we find a way for me to win Ohio.

They sit there looking at their shoes.

GOV. MORRIS (CONT'D)
Anything else?

Off their looks we-

CUT TO:

INT. MORRIS HEADQUARTERS - CINCINNATI - LATE AFTERNOON

We're mid action. Everyone is there. Phones...emails...people running in and out. STEPHEN, BEN, MOLLY...sleeves rolled up. PAUL is in a closed room but we can see him on the phone.

STEPHEN
(On the phone)
Do we have any other senators that can go to bat for us? House members won't do.

BEN
(Whispering to him)
Or a Congressman from Ohio maybe.

STEPHEN
Right...but we need a Senator...one from Ohio would be nice.

We push the camera through the room, edging closer to PAUL.
MOLLY
(To Stephen)
This is all the car rental companies in Northern Ohio...they've booked every single van for Tuesday...

STEPHEN
Fuck...Jess, I'll call you back...
(To Molly) All of them? Goddamit!

BEN
(On the computer)
Here's what I have so far...Independents don't seem to be biting, but Republicans are...or say they are.

STEPHEN
They're not gonna tell a pollster that they're gonna vote Democratic...I don't even know how to read these polls.

MOLLY
I called and we can get a hundred vans out of Covington and Newport Kentucky.

STEPHEN
We don't need the fucking vans...we just don't want Pullman to have them...

We keep pushing in on PAUL until we can hear him talking to a reporter on the phone. - During this conversation he types on his laptop.

PAUL
No, No that's not what I'm saying...we were the underdog before we got into this and we continue to be the underdog...well the numbers...we knew the numbers would get closer the closer we got to Tuesday...I'm not lowering expectations...have you ever heard me say that we had Ohio locked?...Then at least give me the courtesy of printing that in your column.

CUT TO:
EXT. GOVERNORS SUV - NIGHT

We see The SUV drive down the highway.

INT. GOVERNORS SUV - NIGHT

We're in the second row of seats of the Governor's SUV. CINDY'S head on his shoulder. They are very comfortable and easy with each other. The Governor is writing a speech on a legal pad.

CINDY
What're you writing?

GOV. MORRIS
The greatest speech ever given on hydrogen power.

CINDY
The bar is awfully high on that one.

GOV. MORRIS
Don't I know it.

CINDY
I got hit up by Mitchell's wife for you to show up at her "Daughters of the American Revolution" luncheon.

GOV. MORRIS
Who's Mitchell?

CINDY
Congressman from the first district. You might want to remember that.

GOV. MORRIS
Fucking Congressmen. Could you imagine doing this every two years?

CINDY
No I can't. Lets just do this one more time.

GOV. MORRIS
In four more years.

CINDY
That's it.
GOV. MORRIS
Deal.

Beat

CINDY
You think we'll lose Ohio?

GOV. MORRIS
I don't know.

CINDY
If you took Thompson's delegates the race is over. Ohio wouldn't matter.

GOV. MORRIS
Is Paul working on you?

CINDY
(Shaking her head)
Stephen.

GOV. MORRIS
(Smiling)
They are good.

CINDY
Is Thompson so bad?

GOV. MORRIS
He's a shit.

CINDY
Worse than Pullman?

GOV. MORRIS
Yes Stephen.

Beat.

GOV. MORRIS (CONT'D)
Every time I draw a line in the sand...and I keep moving it. Fund raising, union deals...I wasn't going to do any of it...negative ads...I can't on this one. Not Thompson.

Beat.

(CONTINUED)
CONTINUED: (2)

GOV. MORRIS (CONT'D)
Tell Mrs. Mitchell I'll make her
goddamn luncheon.

Beat.

GOV. MORRIS (CONT'D)
Let the old ladies pat me on the head.

They smile.

CINDY
You've got great hair.

GOV. MORRIS
You too baby.

They lay their heads back onto the headrests.

CUT TO:

INT. PERFORMING ARTS BUILDING - DAYTON COMMUNITY COLLEGE -
A BIT LATER

A few hundred students sit around The GOVERNOR in a theater
as he fields questions.

MORRIS is cornered by a conservative student.

STUDENT 1
Gay marriage?

GOV. MORRIS
It's a silly argument.

STUDENT 1
Not to fifty percent of Americans.

GOV. MORRIS
Over the age of fifty.

STUDENT 1
That's who votes...that's who shows
up at the polls.

GOV. MORRIS
Well that's changing...and
hopefully the way we frame the
argument is...

At this point the camera travels backstage to find STEPHEN,
BEN, PAUL and MOLLY working the phones and laptops.

(CONTINUED)
PAUL
(To Stephen)
Keep an eye on the Governor.

STEPHEN
(To BEN)
Let me know how it's going out there.

STEPHEN (CONT'D)
I'm on it.

BEN takes us back out, and under this we hear the GOVERNOR continue debating..

STUDENT 1
From...a religious...a

GOV. MORRIS
From a religious to a civil rights issue.

STUDENT 1
But one could argue a great difference between gender and race.

GOV. MORRIS
Not really. They used to ban interracial marriage...women couldn't vote...the list goes on...

STUDENT 1
The argument of course-

We hear boos from students in the audience.

At this point the camera finds MORRIS.

Morris quiets the students.

GOV. MORRIS
Now wait she has a point to make....

STUDENT 1
The argument is that men and women, can in fact be separate but equal, races cannot.

GOV. MORRIS
How so?
STUDENT 1
You have separate public bathrooms for men and women but it would be illegal to have separate bathrooms for two races.

GOV. MORRIS
Now.

STUDENT 1
(Laughing)
Yes now.

Audience laughs.

GOV. MORRIS
So that's what I'm saying.

CUT TO:

INT. PERFORMING ARTS BUILDING LOBBY – AFTER

STEPHEN, BEN and the rest, head out of the town hall to get on the bus.

STEPHEN
What time is this on tonight?

BEN
Nine o'clock.

STEPHEN
How'd he do?

BEN
He did good.

CUT TO:

EXT. CAMPAIGN BUS – NIGHT

The bus rolls down the highway

INT. CAMPAIGN BUS – NIGHT

It's a flurry of activity. STEPHEN, BEN, MOLLY and our REGULAR STAFFERS...are all on phones, Blackberry's and laptop's. MOLLY looks back over her shoulder to STEPHEN, who's face is lit by his laptop. He looks up...they lock eyes.
INT. MILLENNIUM HOTEL - STEVEN'S ROOM - NIGHT

We're tight on a TV. It's the taped broadcast of the previous town hall meeting. As the scene plays we pull back to see STEPHEN and MOLLY making love. We see pieces of body parts. Hands...a leg...hair being pulled...it's what we've grown used to seeing in a seventies love scene, all lit by the flickering of a television. The only score we hear is the sound of the TV.

GOV. MORRIS
See we're framing the argument based on the idea that homosexuality is a choice, you choose to be gay, not that you were born that way like being born black. Because if you start the discussion with the idea that gay is not a life choice but part of your DNA, then gay marriage is and can only be a civil rights issue.

ANOTHER STUDENT steps up to the microphone.

STUDENT 2
Do you think candor is your appeal? Is that what you're running on as much as your platform...?

GOV. MORRIS
We'll see. It'll drive them to the polls one way or the other.

STUDENT 2
I just heard a lot of Christian Coalition cars start up.

We pull focus now onto STEPHEN and MOLLY.

STEPHEN on top not moving.

He looks down to the area where an erection would normally be at this time...then he looks back to Molly.

STEPHEN
It's not you.

They laugh.

CUT TO:
INT. MILLENNIUM HOTEL - STEVEN'S ROOM - NIGHT - LATER

Stephen is lying in bed working on some papers. Molly is asleep next to him. Stephen's cell phone rings.

STEPHEN
Hello...

Almost at the same time we hear another man's voice on the phone.

VOICE
Molly?

They both stop. No one speaks. Stephen is about to speak again when the caller hangs up. Stephen looks at the phone...he then looks to the bedside table where he sees an identical phone. His phone. He's picked up Molly's phone by mistake. He looks at the name of the incoming call...there is none...he looks at the caller ID number...he looks at the clock...2:30 AM.

STEPHEN
Your phone rang.

MOLLY
Really?

STEPHEN
Who's calling at 2:30 in the morning?

MOLLY
I don't know?

STEPHEN
He asked for you by name.

MOLLY
You answered it?

STEPHEN
I thought it was mine. Who was it?

MOLLY
I don't know...

STEPHEN
One of the other interns drunk dialing you?

(CONTINUED)
MOLLY
(Kidding)
Oh that never happens...let me see
the number...

She reaches for the phone, but Steven keeps it away from her.

STEPHEN
Hold on...

MOLLY
(Still waiting for it)
Stephen...

STEPHEN
I'm gonna call him back.

He pushes the redial button.

MOLLY
No!

STEPHEN
...And I'm gonna tell him that I'm
your dad...

MOLLY
Gimme my phone Stephen!

STEPHEN
And I'm gonna tell him I'm coming
over there with a shotgun...

MOLLY
(Getting more urgent)
Don't do that Stephen...
Hang up!

Stephen, listens to the outgoing message, while he looks at
Molly...her eyes starting to well up.

We hear the buzzing of the message through the phone. Then
we see Stephens reaction as it begins to dawn on him who he's
listening to.

He closes the phone without leaving a message.

Beat.

STEPHEN
Why is the Governor calling you at
2:30 in the morning?

(CONTINUED)
She says nothing.

STEPHEN (CONT'D)
Why is the Governor calling you at all?

MOLLY
I'm in trouble...

STEPHEN
With the Governor? What's going on?

MOLLY
I was working on the campaign in Iowa...we had a party in Ben's room after the rally in Des Moines...

STEPHEN
There was a party with you...and Ben...and the Governor.

MOLLY
No he wasn't there.

STEPHEN
Where was he?

MOLLY
I took him up a hard copy of the polling numbers...

STEPHEN
After the party?

MOLLY
(Shaking her head yes) About midnight I guess...I stood in the doorway with him...we were talking...a long time...then he just reached behind me and closed the door.

STEPHEN
Jesus fucking Christ...Were you drunk?

MOLLY
Not that drunk...

STEPHEN
How many times?
CONTINUED: (3)

MOLLY
Just that once.

STEPHEN
Does anybody know? Did anyone see you?

MOLLY
No.

STEPHEN
How could you know?

MOLLY
I know!

STEPHEN
Then why is he calling you now?

MOLLY
I called him first.

STEPHEN
Why?

MOLLY
Because I didn't know who to go to...and I needed nine hundred bucks...

STEPHEN
For what?

MOLLY
I can't go to my dad...We're catholic.

Beat.

MOLLY (CONT'D)
So what should I do?

A long beat.

INT. MORRIS HEADQUARTERS - MORNING - CONTINUOUS

STEPHEN walks into the campaign office. He looks at all the posters with pictures of Morris. People greet him as he walks past.

The signs all look wrong now. The smile on Morris's face looks fake. He sees MOLLY as he passes and heads into the war room.

CUT TO:

INT. MORRIS HEADQUARTERS - LATER

STEPHEN is going through the drawers in his desk... he goes to the office door, opens it and yells to Ben in the bullpen.

STEPHEN
Ben... come here a minute

BEN stops what he's doing and heads into Stephen's office.

BEN
What's up?

STEPHEN
What's our limit on petty cash?

BEN
It's probably five hundred. Why?

STEPHEN
I need as much as we have.

BEN
Everything okay?... anything I can help with?

STEPHEN
Yeah...don't put it on the books. That's all.

BEN
What should I put it down as?

STEPHEN
Don't put it down as anything...

BEN
Anything over a hundred I got to put it down as something...

STEPHEN
(raising his voice)
Just do it!

BEN exits.

We follow BEN into the bullpen, past the STAFFERS who look up at the outburst... MOLLY watches BEN and then looks to STEPHEN who closes his door. We stay on MOLLY.

We see MOLLY watching through the door... as STEPHEN finishes, he opens the door.

STEPHEN (CONT’D)
Molly...

She gets up and comes into his office. Stephen hands Molly a folder that he writes on the inside of

STEPHEN (CONT’D)
Here...

Molly opens the folder and reads "Meet me in the stairwell at noon". She closes the folder.

MOLLY
Okay.

Stephen holds out his hand.

STEPHEN
I'll take that. That's all.

He takes the folder and tears it into several pieces as Molly leaves... he throws the pieces into the trash can.

CUT TO:

INT. STOCK YARDS BANK - CINCINNATI- LATER

STEPHEN stands at a tellers counter, he writes out a check for eight hundred dollars to cash. The teller hands him the money.

Stephen exits.

CUT TO:

EXT. STOCK YARDS BANK STEPS - CONTINUOUS

STEPHEN walks down to the sidewalk. He's on the phone with Ida.

(CONTINUED)
IDA
Stevie ... off the record ...

STEPHEN
No I can't tell you what happened in North Carolina.

IDA
That's not what I wanted to ask you about.

STEPHEN
Okay what?

IDA
You met with Duffy.

A pause.

STEPHEN
Who told you that?

IDA
A little bird.

STEPHEN
Who?

IDA
Did you meet with him?

STEPHEN
Where are you?

CUT TO:

INT. SKY WALK - CINCINNATI - MINUTES LATER

IDA
I know you met with him at a little bar in Cincy, two nights ago, just before the press conference. Duffy ordered buffalo wings.

STEPHEN
Did Duffy tell you this?

IDA
Anonymous. What happened with Duffy?

(CONTINUED)
STEPHEN
You're supposed to be my friend
Ida. You'd stab me in the back
like this? You'd ruin my
reputation just so you-

IDA
Wait wait wait -is that what you
thought? That we were friends?

STEPHEN
I've given you everything -every
fucking scoop, your profile with
Paul....

IDA
You're right -you've given me a
lot. But let's get real here
Steve. The only reason you ever
treated me well was that I work
for the Times. Not because I was
your friend. You give me what I
want, I write you better stories.
Don't pretend it's any more than
that. Why'd you meet with Duffy?

STEPHEN
Go fuck yourself.

STEPHEN starts walking away.

IDA
Okay, I'll make it easier on you.
Forget Duffy. What happened at
Paul and Thompson's meeting?

STEPHEN
(Stopping)
Will you keep your voice down. Do
you have any idea what a story like
this could do to me?

IDA
Of course I do. That's why I'm
giving you a choice here.

STEPHEN
I could get fired.

IDA
So it's not a difficult choice, is
it? I've got to file by three p.m.

tomorrow. You've got till then to  
make up your mind.  

Stephen is left standing there.  

CUT TO:  

EXT. FOUNTAIN SQUARE - CINCI / INT. MEMORIAL HALL -  
A FEW MINUTES LATER  

Stephen is on a pay phone in front of the fountain. Duffy is  
at a campaign event, he also talks on his cell.  

STEPHEN  
You mother fucker.  

DUFFY  
Excuse me?  

STEPHEN  
You leaked it.  

DUFFY  
Leaked what?  

STEPHEN  
Don't bullshit me Tom.  

DUFFY  
Bullshit you...I have no idea what  
you're talking about.  

STEPHEN  
I just spoke with Ida Horowicz.  

DUFFY  
Yeah?  

STEPHEN  
She's threatening to release the  
story.  

DUFFY  
What fucking story?  

STEPHEN  
That we met! That I fuckin met  
with you!  

DUFFY  
How did she find out?  

(CONTINUED)
STEPHEN
Don't play dumb here Tom.

DUFFY
You think I leaked it to her?

STEPHEN
Who else?

DUFFY
I didn't leak it to her.

STEPHEN
Well I know I didn't, so that leaves you.

DUFFY
What's she know?

STEPHEN
She knows whatever you told her.

DUFFY
I swear to Jesus I didn't leak it to her Steve. I don't want this story out any more than you do.

STEPHEN
Well too late.

DUFFY
What did she tell you?

STEPHEN
She knows where we met, she knows when we met... she knows you had buffalo fucking wings.

DUFFY
She has a source?

STEPHEN
Yes she has a source.

DUFFY
And you have no idea who it could be?

STEPHEN
Yeah, you.
DUFFY
Well it wasn't me, and for the record I didn't have fucking buffalo wings. It's gotta be some one else.

STEPHEN
Did you tell anyone?

DUFFY
No. Did you?

STEPHEN
No.

DUFFY
Did you admit to meeting with me?

STEPHEN
No.

DUFFY
Then we stonewall her and she's got nothing.

STEPHEN
She's gonna take the story to Drudge, or Roll Call...shit like that.

DUFFY
You can't stop her?

STEPHEN
She's trying to blackmail me - wants info about Thompson.

DUFFY
Then tell her what she wants to know.

STEPHEN
I can't do that.

DUFFY
You can't let this story get out.

STEPHEN
I'm not gonna be blackmailed Tom.

DUFFY
You don't have much of a choice here.
STEPHEN
If I tell her about Thompson I gotta tell her he's gonna endorse you guys.

DUFFY
Then tell her. I can handle it from my side if I start getting calls.

STEPHEN
No fucking way. Paul told her we had Thompson in the bag. It'll make us look like fools.

DUFFY
You're gonna look like fools anyway when he endorses us.

STEPHEN
I can't do it.

DUFFY
You're on a sinking ship Steve. Tell her what she wants to know and jump. Come over to our side. We can control this thing.

Pause.

No answer from STEPHEN.

DUFFY (CONT’D)
Steve?

STEPHEN
I Gotta go.

Stephen hangs up.

CUT TO:

INT. MORRIS HEADQUARTERS - STAIRWELL - AFTERNOON

MOLLY walks in... it's dark in some places... she doesn't see anyone at first. She stands there... then from the shadows we hear STEPHEN.

STEPHEN
I'm up here.
MOLLY
(startled)
Shit, you scared me.

She goes up the next flight of stairs and stands next to him on the landing.

STEPHEN
Take this.

He hands her an envelope.

STEPHEN (CONT'D)
It's almost 1800 bucks... you make the appointment now... today... from a pay phone... I'll take you to the clinic and pick you up... no one else... you understand?

MOLLY
Yes.

STEPHEN
You take the rest of the money and you buy a ticket home... you can't be here anymore... we can't afford it... not with everything that's gonna happen in the next week. This situation just can't be here.

MOLLY
You mean I can't be here.

STEPHEN
Right.

MOLLY
But I would never tell anyone...

STEPHEN
I would hope not.

MOLLY
Then why?

STEPHEN
You fucked up, Molly...

MOLLY
He and I both fucked up.
STEPHEN
But I have a responsibility to
him... and more importantly I have
a responsibility to this campaign.

MOLLY
I could go to North Carolina and
work on the campaign...

STEPHEN
Molly you've go to wake the fuck
up... this is the big leagues...
its mean...and when you make
mistakes you lose your right to
play. Make the appointment and
tell me when and where we have to
go.

He exits.

CUT TO:

INT. STEPHEN'S HOTEL ROOM - LATER THAT NIGHT

STEPHEN sits at the desk in front of his laptop. BEN sits on
the floor surrounded by papers and a laptop. As BEN is
talking Stephen is staring blankly at the screen.

BEN
Listen to this. I got the
placement in the Times...this is a
match up of hope versus fear. Nine
times out of ten the fear candidate
tends to be the most
experienced...but in our
presidential races the least
experienced candidate almost always
wins. JFK versus Nixon...Carter
versus Ford...Bush versus Gore...I
like our chances with the new kid
on the block, end quote. Thomas
Fucking Duffy...he's gotta be
having a stroke right now.

STEPHEN'S phone buzzes, he picks it up and reads the text.

It reads: NOON TOMORROW, MOLLY.

He sets the phone down...BEN continues talking.

CUT TO:
EXT. MOLLY'S MOTEL - A BIT LATER

STEPHEN sits in his car in the back of the parking lot, waiting... his phone rings. He looks at the caller ID... it's Ida... he sets the phone back down, waits, and sees MOLLY come out of the hotel. She looks around and heads toward Stephen. She gets into the car and they drive off in silence.

CUT TO:

INT./EXT. STEPHENS CAR - ROEBLING SUSPENSION BRIDGE - A BIT LATER

STEPHEN AND MOLLY drive in silence.

INT. STEPHEN'S CAR - DAY - A FEW MINUTES LATER

STEPHEN and MOLLY driving down the street. Stephen drives until he sees the clinic. He stops.

INT. CLINIC - WAITING ROOM - DAY

STEPHEN stands at the receptionists window and hands the NURSE a clipboard with the forms Molly has filled out. She hands him back the yellow copies and he sits down next to MOLLY.

STEVEN
So just call me when you can leave okay.

MOLLY
(Looking at the clinic)
I hate this shit...

STEPHEN
I'll be back, this'll all be over...

MOLLY
Yeah...

STEPHEN leaves.

CUT TO:

INT. MILLENNIUM HOTEL - PAUL'S ROOM - DAY

We're in PAUL'S room. He's lying on the bed, talking on his cell phone.

BEN sits at the desk working on a laptop.

PAUL
Absolutely -there's no question about it ....

A knock. PAUL goes to the door, opens it and waves STEPHEN in, shutting the door behind him as he enters.

PAUL (CONT'D)
But we've got to think broader strokes here, rethink everything....uh-huh....Yeah, I know how to handle it....Look, Stevie just got here. Can I call you back in a few minutes? ..Okay, bye. (He hangs up) The Governor. We had a good long talk on the way back. He's up to speed with everything.

STEPHEN
How'd he take it?

PAUL
Better than I thought he would. Still won't take Thompson's endorsement.

STEPHEN
Paul-I gotta tell you something.

PAUL
What's up?

STEPHEN
Ida knows I met with Duffy.

PAUL stares at him blankly.

STEPHEN (CONT'D)
I don't know how she found out. Tried to blackmail me. Said she was gonna let the story out if I didn't tell her what happened at your meeting with Thompson.

PAUL
So it's gonna hit the papers.

STEPHEN
Probably. Yeah. Whoever she takes it to, they're gonna call me for a statement.

(MORE)
I could just deny the whole thing, but if they call Duffy and he admits to it, that could look worse. If I say no comment they won't let up.

PAUL
I leaked it to Ida.

Pause.

BEN looks up from his laptop.

PAUL (CONT'D)
At the event.

STEPHEN
I don't understand.

PAUL
We made a deal.

STEPHEN
Paul...they're gonna print that story in the paper tomorrow morning.

PAUL
I know.

STEPHEN
But why? Why would you do that to me? Why would you do that to the campaign.

PAUL
The campaign will survive.

STEPHEN
Then why would you do that to me?

PAUL
Makes it easier to let you go.

STEPHEN
What?

PAUL
Why'd you meet with Duffy?

STEPHEN
I made a mistake — a stupid mistake.
PAUL
No Stephen. You didn't make a mistake. You made a choice. You called me and left a message to call back...that it was important. But when I did...you said to forget about it. You chose not to tell me. Why did you make that choice?

STEPHEN
I didn't think it was important.

PAUL
Sure you did. But you went because you were curious, because you were flattered. Because it made you feel special to think Duffy wanted to speak to you instead of me. Because you thought to yourself: maybe I can get something out of this. Because it made you feel big. First campaign I ran tiny little race in Kentucky -state senate seat. Workin for redneck nobody named McGuthrie. Had no money, no staff, no fuckin office. Everyone thought we didn't stand a chance. There's no way we can compete. And about this time, a guy running a congressional campaign a few districts over gives me a call. Says, "I really like what you were able to do for poor ole' Sam. But let's face it, he's a goner, so why don't you come work for me?" What do I do? Well Stephen -this is where you and I are different. I told Sam about the call. And Sam says to me, "Paul, you think this other's guy's got a shot at winning, and he can pay you more than anything I can afford, so if it's what you feel you need to do, then I won't get in your way." So I say, "Sam -you took a chance and hired me when I was even more of nobody than you are, and I'd be damned if I'm gonna jump ship just because the shit hit the fan." We lost the race, but three years later, when Sam decided to run for Governor -who do you think he called? We won that race. (MORE)
And twenty years later I'm where I am now. (Beat) There's only one thing I value in this world Steve, and that's loyalty. Without it you're nothing and you have no one. And in politics it's the only currency that you can count on. That's why I'm letting you go. Not because you're not good enough. But I value trust over skill. And I don't trust you anymore.

STEPHEN
Well it really isn't whether you trust me, it's whether the Governor does.

PAUL
The Governor knows, he thinks it's the right thing to do.

STEPHEN
He does.

PAUL
If I were you? I'd get a good night sleep because you're gonna get fucking pounded by calls from the press in the morning...

Off of Stephen we:

CUT TO:

INT. CLINIC - DAY - LATER

MOLLY is sitting in the clinic waiting room, Post-Op.

The NURSE comes out with a bag of prescription drugs and some instructions.

NURSE
These are Vicodin...they're for the pain. You have Ambien...that'll help you sleep...and I threw in a couple of Xanax for the next couple of days. Did the doctor explain there would be some bleeding?

Molly nods.
CONTINUED:

NURSE (CONT'D)
Not much...and it shouldn't last very long. If it does you'll need to call us.

Molly just sits there staring.

NURSE (CONT'D)
Do you have a ride?

Molly shakes her head yes.

NURSE (CONT'D)
Okay...if you need anything you just call the clinic...okay.

MOLLY
(Nods)
Okay.

The NURSE walks back into the office. MOLLY just sits there...by herself.

We stay with her for a while.

CUT TO:

EXT. STEPHEN'S RENTAL CAR - AFTERNOON
STEPHEN is driving.

CUT TO:

EXT. CLINIC - AFTERNOON
MOLLY walks outside the clinic and down the street.

CUT TO:

EXT. CAFE NEAR CLINIC - LATER

Through the front window we see Molly sitting in a booth making a phone call. There is a TV on the wall, the news plays.

DEBBIE DIXON
Yes Mike, Senator Franklin Thompson of North Carolina arrived at the Lunken airfield today igniting rumors of a deal in the works.

(MORE)
The NY times is reporting that Senator Thompson will pledge his three hundred and fifty-six delegates to Senator Pullman.

CUT TO:

EXT. CLINIC STREET - NIGHT

STEPHEN drives by the clinic, he slows to see if Molly is still there. The clinic is closed.

CUT TO:

EXT. MOLLY'S MOTEL - KENTUCKY - NIGHT

MOLLY gets out of a cab and walks into the hotel.

Under this we hear:

BEN
Hey, where were you today?

MOLLY
I'm not feeling great Ben...

INT. MOLLY'S MOTEL - KENTUCKY - NIGHT

We're in front of MOLLY'S door as the scene continues.

BEN
You picked a hell of day to call in sick...Jesus...fucking wild day...

MOLLY
Why?

BEN
Stephen's off the campaign. Paul fired him. Some fucking set up about loyalty and it looks like Stephen was doubling down with Duffy on the Pullman campaign. I was sitting in the room when Paul told Stephen that he was fired. Stephen said who's gonna take over and Paul said me...and I'm like...easy there soldier...but Stephen goes ape shit then Paul gives the speech about loyalty and then shits on Stephen like I've never seen before...christ...humiliating shit.
CONTINUED:

MOLLY
When was this?

BEN
Molly listen to me...I'm gonna run the campaign under Paul...Stephen is going to Duffy. I just jumped three years ahead...so starting tomorrow morning we go into full damage control and I'm telling you Stephen's going ape shit...he said he's taking everyone down on his way out...Morris, everybody!

Phone rings.

BEN (CONT’D)
Shit I gotta take this. Do you need anything?

MOLLY
No.

CUT TO:

INT. PULLMAN HEADQUARTERS - CINCINNATI - NIGHT

STEPHEN enters the offices, staffers look up and recognize him.

STEPHEN
Where's Duffy...

STAFFER 1
You got an appointment?

Stephen keeps walking.

Stephen arrives at a medium sized, glass partitioned office. As he looks in, we see Duffy and five or six staffers around a table. Duffy is holding court, the mood is light.

Duffy notices Stephen standing there.

Duffy walks Stephen a few doors down to a conference room. A single staffer is working on a laptop.

DUFFY
Joe can you excuse us for a minute.

The staffer leaves and Duffy closes the door.

(CONTINUED)
DUFFY (CONT'D)
Not very bright, walking in here...

STEPHEN
I'm in. I'm coming to work for you.

DUFFY
A reporter at Roll Call phoned me this afternoon.

STEPHEN
I know who leaked it.

DUFFY
Who?

STEPHEN
Paul.

DUFFY
You told Paul?

STEPHEN
Yeah. I told him we met. He leaked it.

DUFFY
You shouldn't have told him that.

STEPHEN
I felt like I should.

DUFFY
I've worked with Paul. He gets paranoid.

STEPHEN
Obviously.

DUFFY
So he fired you.

STEPHEN
I quit.

DUFFY
You're lying to me...come on...

STEPHEN
I quit! And I can give you everything on Morris. Everything.
(MORE)
I can lay out his whole strategy for you.

DUFFY
I already know his strategy. Paul gave it all to Thompson.

STEPHEN
What if I had something else?

DUFFY
You'd do that to Morris? To Paul?

Yeah.

DUFFY
Revenge makes people unpredictable Steve. I can't have someone who's unpredictable. Who's unstable.

(Calmly)
I'm not unstable.

DUFFY
If it had been a clean break—if you'd left Morris before this story broke, that'd be one thing. That we could control. But the way it'd look now—Paul fires you and then you come work for us. Looks like we're picking up the scraps. Puts Morris in the drivers seat. I can't have that.

We see a shot close on STEPHEN'S clinched fist holding the yellow copies from Molly's clinic visit down by his side. We pan up to his face.

STEPHEN
What if I had something big?

DUFFY
Like what?

STEPHEN
Something big. Something that'll bring Morris down.

DUFFY
What is it?

(continues)
(CONTINUED: (3))

STEPHEN
(Shaking his head)
Give me the job.

DUFFY
It's not gonna happen. I'm sorry. Go take a nice long vacation.

Beat.

DUFFY (CONT’D)
You're a smart guy Steve. Everything I said yesterday is true. But maybe politics isn't for you.

STEPHEN
Politics is my life.

DUFFY
Do yourself a favor. Get out now while you still can. Go into entertainment, or business, or open a fucking restaurant in Costa Rica - anything. Do what will make you happy. You stay in this business long enough it makes you jaded and cynical.

STEPHEN
Like you?

DUFFY
Yeah. Just like me.

STEPHEN
You knew I was gonna tell Paul.

DUFFY
I didn't know. I thought you might, but I didn't know.

STEPHEN
You knew if I told him he'd fire me.

DUFFY
Thing you gotta know about Paul - he's big on loyalty.

STEPHEN
Yeah I got a nice speech on that. You were never gonna hire me.

(CONTINUED)
DUFFY
Put yourself in my shoes Steve. Your opponent has the best media mind in the country working on his team. What do you try to do? You either try to hire him yourself, or work it so if you can't have him, the other team can't either. This was a win-win situation for me. You work for us - great. Paul doesn't have you. Then again, if Paul fires you and I don't take you - fine - Paul still doesn't have you. Either way I win. The moment I got you to sit down in that chair, I knew I'd won.

STEPHEN
This is my life you're talking about.

DUFFY
It's not easy for me to do this sort of thing Steve. Don't think I take any pleasure in it. I'm sorry for you. I really am. Take care of yourself.

STEPHEN pulls into the parking lot.

INT. MOLLY'S MOTEL - KENTUCKY - NIGHT

STEPHEN climbs the back stairwell to avoid seeing any of his former co-workers. He gets to the fifth floor and walks down the hall towards Molly's room. As he turns the corner he sees a maid's cart in front of her room. The door is halfway open.

As he starts walking towards her door, we see the HOTEL MANAGER come running out of Molly's room, he heads the opposite way towards the elevators...he's fumbling with his walkie-talkie.

STEPHEN gets to her room and we see a JANITOR kneeling over Molly's lifeless body.

Stephen steps into the room. He can barely move. He just stands there looking at the situation.

The JANITOR is on the phone.
JANITOR
No ma'am she's not breathing...No
nothing...

Stephen is looking at Molly...he looks around the room...he
sees her prescription bottle empty on the bed next to
her...he sees her clothes all around the room.

JANITOR (CONT'D)
...I don't know, fifteen
minutes...how far away are they?

The JANITOR now turns and looks at STEPHEN

JANITOR (CONT'D)
Do you know her?

STEPHEN nods his head yes.

JANITOR (CONT'D)
She's gone.

We hear the sound of a distant ambulance.

JANITOR goes back to the phone.

JANITOR (CONT'D)
Hello...I'm sorry what? Yes I can
hear them now...

STEPHEN looks down on the bed and sees Molly's phone. He
reaches down takes it and slides it in his pocket.

Close on STEPHEN'S face as he stares down at Molly.

We hear the ambulance approaching the building

CUT TO:

EXT. MOLLY'S MOTEL - NIGHT - SECONDS LATER

Stephen comes running out the door. An ambulance has pulled
up and EMT's are on their way in. Police are also pulling
up. Stephen keeps walking - he gets in his car and sits
there.

Nothing. No emotion.

Stephen pulls out his phone and listens to his messages.

PHONE

saved messages. First new message.

  Stephen, it's Ben...listen ...what

Beep.

  MOLLY (O.S.)
  Stephen I just heard from
  Ben...please don't do anything
  fucked up...(She's losing it.)
  Godamnit you motherfucker pick up
  the phone!  Don't do it you fuck!

Beep.

We now hear Molly in a very different tone, calmer, maybe
even drunk.

  MOLLY (O.S.) (CONT'D)
  I'm not going away...

Beep.

Stephen hangs up.

We stay on him for a while.

CUT TO:

INT. MORRIS HEADQUARTERS - NEXT MORNING

The GOVERNOR, PAUL, BEN and the other staffers, sit in front
of a monitor watching a news piece.

We now cut to CNN footage in front of a hospital as we hear
the report continue.

(CONTINUED)
JOHN KING (V.O.)
The coroner has stated, that based on the evidence found by the police in the hotel room, that this was an accidental overdose, a lethal cocktail of alcohol and prescription drugs. The Cincinnati police chief, Darryl Mathews, has called for a full investigation pending a toxicology report which could take up to two weeks. Just a terrible terrible situation for the former Senator, now DNC Chairman, Jack Stearns and his family.

Off the Governor's face we:

CUT TO:

EXT. RIVERSIDE PARK - KENTUCKY - DAY

STEPHEN and SENATOR THOMPSON are seated on a bench.

SENATOR THOMPSON
I want on the ticket...you need me on the ticket...and you need my delegates...you could use em before Tuesday. Make a fine story on the Sunday morning news cycle...so I expect to hear from you by noon tomorrow...or I endorse Pullman and take my cabinet seat.

They look at each other.

SENATOR THOMPSON (CONT'D)
Anything else you want to talk about?

CUT TO:

INT. PRESS ROOM - CINCINNATI - NEXT MORNING

We're at a press conference - The GOVERNOR, PAUL, BEN, and the rest of the staff, are standing behind the microphone. The Governor is making a statement

GOV. MORRIS
The entire staff is in a state of shock. We have sent our condolences to Jack and JoAnna Stearns and their whole family...

(MORE)
and of course our hearts go out to them... it's hard to imagine what they're going through...
All we know at this point is it appears to be a drug...an accidental prescription overdose. Ida?

IDA
Is suicide ruled out?

GOV. MORRIS
We have no reason to believe...

He looks to Paul.

GOV. MORRIS (CONT'D)
I don't think we have any of that information yet. Obviously there will be a full investigation. Just wanted to say that our hearts go out...our prayers go out to the entire family...and she was part of our family.

REPORTER 5
Did you know her well Governor?

GOV. MORRIS
Not well. But I did know her, and what I saw was a hard working, young woman, with a great and positive spirit. It's a very sad day in our campaign and a very sad day for the people close to Jack.

REPORTER 6
How long has she interned with you Governor?

The Governor looks back at Paul. Paul steps up to the mic.

PAUL
She'd only been on the road with us for a few weeks...maybe four I think, I can check.

IDA
Will you continue with your schedule today? You're set to tour Proctor & Gamble this afternoon.
PAUL
We will most certainly stay on schedule. This accident, and we have to assume for now it's an accident, is just simply a tragedy. The work, the schedule won't be altered. It just means that those of us that knew Molly will go about our jobs with a heavy heart.

As these questions continue, the Governor's cell phone vibrates. He pulls it from his pocket and reads the name of the caller. It reads "Molly." He looks up. Panic starts to set in - the only sounds we hear are his heart beating and the phone vibrating.

The Governor looks at each of his staff members. Then he scans around the room looking through the press corps up to the back doorway where he locks eyes with Stephen.

STEPHEN holds a cell phone to his ear. They stare at each other. Then Stephen hangs up, and the Governor's phone stops vibrating.

Stephen turns and leaves.

CUT TO:

EXT. RESTAURANT - CINCINNATI - THAT NIGHT

STEPHEN approaches the restaurant - the lights are off. He peers through a window - we hear the door unlock. One of the Governor's SECRET SERVICE MEN opens the door. He motions Stephen in.

INT. RESTAURANT - CINCINNATI - CONTINUOUS

Stephen follows the secret service guy through the dark restaurant - they pass several other secret service guys sitting in booths. They cross towards the back to the kitchen door - STEPHEN enters.

INT. RESTAURANT KITCHEN - CONTINUOUS

The kitchen is small and dimly lit. The Governor is standing behind the center island - hanging pans hide his face.

GOV. MORRIS
It seems you have something you want to talk about.

STEPHEN
Does it seem that way?

(CONTINUED)
GOV. MORRIS
If you have something...or think
you have something you want to get
off your chest...

STEPHEN
What's say I do the talking and you
do the listening.

GOV. MORRIS
Okay.

STEPHEN
As of tomorrow morning there's
going to be some changes in your
campaign. Paul is out. I will be
your senior campaign manager. I'll
draft a statement, "we're at a
point in the campaign where some
changes have to be made etc." You
can put your own words in there,
you do it better than most.

GOV. MORRIS
And why would I do that?

Beat.

STEPHEN
Because you want to win. Because
you broke the only rule in
politics. You want to be
President, you can start a war, you
can lie, you can cheat, you can
bankrupt the country, but you can't
fuck the interns...they'll get you
for that.

GOV. MORRIS
What do you think you have Stephen?
A troubled young girl tells you a
story.

STEPHEN
A troubled young pregnant girl...

GOV. MORRIS
Is that what she told you?

STEPHEN
...Who needed cash for an abortion.
GOV. MORRIS
What did you do, give her money? Maybe she just wanted cash and you were the perfect guy to hit up.

STEPHEN
Is that your best play?

GOV. MORRIS
You need a job that bad Stephen? You walk in here with your dick in your hand...you've got nothing.

STEPHEN
So how did I get here? You're right Mike, there's nothing. No phone messages, no text, no e-mails, no photos or tapes, and yet I'm standing right here.

GOV. MORRIS
Well go home.

STEPHEN
She left a note.

The Governor stands in silence.

GOV. MORRIS
How would you know that?

STEPHEN
I cleaned up your mess. I took her phone and I found her note.

They stare at each other in silence.

GOV. MORRIS
I thought it was an accident.

Then:

STEPHEN
You tell me, you were the last one she called. Note says she was pregnant, said you were going to pay for her abortion...it also said she didn't want to hurt you.

GOV. MORRIS
Then why would she leave a note that could only do that?

(CONTINUED)
STEPHEN
Because she's twenty.

GOV. MORRIS
What do you want?

STEPHEN
Paul's gone today. I set a meeting with you and Thompson where you promise him the ticket. You get three hundred and fifty-six pledged delegates, you get North Carolina, and then you take office and make right what so many have made wrong. All the things we both believe in.

GOV. MORRIS
Well I don't believe in extortion...I don't believe in tying myself to you for the next eight years.

STEPHEN
Four years, let's not get ahead of ourselves.

A long beat.

Finally the Governor says:

GOV. MORRIS
What were you doing in her room?

STEPHEN
Housekeeping, before you ended up on page one.

GOV. MORRIS
No. You were already fired, you were out. What were you doing in her room?

STEPHEN
I was fixing a situation...I got a call, someone from the hotel thought I could help and called me.

GOV. MORRIS
You were off the campaign, but you thought it was important to come back and fix things? It was your voice on the phone the other night. (MORE)
CONTINUED: (4)  

GOV. MORRIS (CONT'D)  
You were fucking her. What did you do Stephen?

STEPHEN  
I loaned her some money and gave her a ride.

GOV. MORRIS  
I bet you did.

Pause.

And then:

GOV. MORRIS (CONT'D)  
There's no note.

STEPHEN  
Okay, there's no note.

GOV. MORRIS  
Show it to me.

STEPHEN  
You think I brought it here? That's how people get hurt.

GOV. MORRIS  
Okay let's play this out. You're not wearing a wire because everything you've suggested is illegal... and you wouldn't fare well in federal prison. You were fucking her and she told you about her situation. There are no records or conversations between us. And since she's had an abortion, no DNA evidence. So if there's no note, then it's your word against mine. Your word. A fired, disgruntled, employee, or a sitting governor... There's no note.

STEPHEN  
It's your call Governor.

As the Governor weighs his options we-

CUT TO:
INT. BARBER SHOP - EARLY MORNING

PAUL is sitting in a barber shop getting his hair cut... the BARBER cuts... Paul sits there. The TV is on... a sports show... no one talks. We watch Paul's face as the barber clips the back of his head.

CUT TO:

EXT. STREET OUTSIDE BARBER SHOP

PAUL walks out, starts down the street. As he passes the first corner, he sees the Governor's SUV and the Secret Service SUV both parked on the side of the road. Paul looks at the SUV... then walks up to the window. The window rolls down and the GOVERNOR leans his head out.

GOV. MORRIS
Paul you got a minute?

We stay outside the car for along time. We hear CHRIS MATHEWS under this shot. We see Paul get out of the SUV and the two SUVs drive off, leaving him standing there.

EXT. NICER HOTEL - CINCINNATI - NEXT DAY - ESTABLISHING
INT. NICER HOTEL ROOM- CINCINNATI - NEXT DAY

STEPHEN'S in a different hotel now.

The TV is on.

CHRIS MATHEWS
How much could a big shake up days before the Ohio primary hurt a campaign. I asked Paul Zara how his firing could actually help the candidate.

We See STEPHEN, shaving in the bathroom mirror, as he listens to the TV.

PAUL
The Governor and I both felt, that in light of some of these changing numbers, it was best to put a new face on the campaign...Stephen is very talented...very smart...

CUT TO:
EXT. WHEELING WEST VIRGINIA - SAME DAY

We see a shot of an old church. People are walking up the steps and through the big open doors.

INT. CHURCH - WHEELING WEST VIRGINIA

We're at a memorial service for Molly. We see a lot of young people. PAUL is sitting in the back row. As Molly's father JACK STEARNS speaks STEPHEN walks in. He sits in the adjacent row – he and Paul look at each other.

JACK STEARNS
You always hear people talking about events out of sequence...the order of things. There is no greater grief than a parent laying their child to rest...She was a little girl trying to make it in a very grown up world...a world were every mistake is magnified and she was smart and pretty and so so young.

He looks to the PRIEST next to him.

JACK STEARNS (CONT'D)
Father, you ask us to accept God's plan, to not question his judgment, with all due respect, I don't accept this judgment. She made the world better, not just for me, but for everyone she touched.

FADE TO:

EXT. CHURCH - WHEELING WEST VIRGINIA - LATER

We're on the street in front of the church. People are filing out. PAUL is waiting next to STEPHEN'S car as Steven walks up.

PAUL
You should hire Jack for a speech writer.

STEPHEN
I'll keep that in mind. Are you here to talk to me?

(CONTINUED)
PAUL

No. I'm friends with the family. I got her the internship...known her since she was born.

STEPHEN

I'm sorry.

PAUL

The Governor couldn't make the flight?

STEPHEN

He's meeting with Thompson.

PAUL

Look at you, all grown up with tits and all.

STEPHEN

I learned from the best.

PAUL

One day we'll grab a beer and you'll tell me what you had on the Governor that put me out.

STEPHEN

How do you know I didn't have something on you?

They both smile.

PAUL

You better get going, you've got a campaign to run and I've got offices to go look at.

STEPHEN

Farragut North?

Paul nods his head.

PAUL

Nice consultant firm right off of K Street.

Paul turns to leave.

PAUL (CONT'D)

A million a year and nobody to fuck you over.

(CONTINUED)
CONTINUED: (2)

STEPHEN
Sounds relaxing.

Paul, without looking back.

PAUL
 Doesn't it.

CUT TO:

INT. XAVIER UNIVERSITY - CINCINNATI- DAY

GOVERNOR MORRIS with his WIFE and DAUGHTER, stand at the podium just behind Senator Thompson. There are a few hundred people in attendance, campaign workers, supporters and press.

SENATOR THOMPSON
And the right man to lead this great nation of ours in these challenging times and the next President of the United States of America, Governor Mike Morris!...And I ask only one thing, that all of us stand shoulder to shoulder and arm in arm in a united Democratic party.

Huge cheers.

SENATOR THOMPSON (CONT'D)
And I strongly urge that the three hundred and fifty-six loyal delegates that I have carried as a badge of honor, throw their support to the Governor. Let's end this primary and get on to the business of 1600 Pennsylvania Ave!

More big cheers.

SENATOR THOMPSON (CONT'D)
Thank you. And God bless the United States of America.

Thompson turns and shakes the hand of Governor Morris. Morris steps up to the microphone.

CUT TO:

EXT. XAVIER UNIVERSITY - CINCINNATI

Under the following we hear the Governor's speech.

(CONTINUED)
CONTINUED:

We see Satellite trucks, press vehicles, police cars, etc.

At a catering truck we see a pair of hands grab some coffee and cookies. This is another young intern, JILL.

We follow her across the street and into a door.

INT. XAVIER HALLWAYS & RECEPTION ROOM - CONTINUOUS

JILL comes through the door.

We follow her through the hallways crowded with television cables and technicians. She makes her way in to a large reception room, where Stephen is watching Governor Morris give his speech. She hands him a coffee.

We cut between The Governor and Stephen watching from the back.

GOV. MORRIS
Thank you Senator Thompson! Well the polls aren't quite closed, but I want to congratulate Senator Pullman...And his Republican constituents on their win here in Ohio.

The room explodes in laughter and applause.

GOV. MORRIS (CONT’D)
Senator Thompson I am honored to stand here today with you. I am humbled by your kind words, thank you. Ladies and gentlemen, today marks the beginning of a fight between two sets of ideals. Either we're going to move forward or were going to live in the past...
Either we're going to lead the world in technology, or we are going to bury our heads in the sand... the sands of Saudi Arabia...the sands of Iraq! Either we're going to let greed and corruption ruin our industries and our shorelines or we are going to take back our country! We are not a nation used to coming in second or third...

Cheers.

CUT TO:
INT. XAVIER UNIVERSITY – HALLWAY & STAGING ROOM

While the Governor's speech continues we stay close on Stephen as he walks through the crowd. We follow him into Governor Morris's staging area.

Four monitors on a table show different network feeds. We watch Stephen roll down his sleeves and button his shirt. He ties his tie and puts his jacket on. From the monitors we hear reporters etc.

We push in on one of the monitors where Duffy is being interviewed. As we push in we see Stephen cross out of the room. Ben is watching, he looks back and smiles at Stephen.

Duffy
No it's not decisive, we still have several contests and those states are going to want to have their say. It does look like we'll win Ohio...

Rachel Maddow
But you must concede that these three hundred and fifty-six delegates put the pledged delegates out of reach. And with word today that the super delegates are breaking three to one for Morris.

Duffy
We still have a lot of contests Rachel, Ohio is-

Rachel Maddow
Well then do you have the funds? As we read it-

Duffy
(Smiling)
Of course we have the funds. We're getting new donations daily...

Our new intern, Jill crosses into frame looking down at Ben.

Jill
Hey...Ben...I was told to talk to you. I'm supposed to get a phone...

Ben
Right...you're....

(CONTINUED)
CONTINUED:

JILL
Jill Morris...no relation.

BEN
Are you a Bearcat?

JILL
No...I'm from Columbus I'm a Buckeye.

CUT TO:

EXT. XAVIER UNIVERSITY - QUAD - CONTINUOUS

A shot of STEPHEN walking across the quad towards the gym.

INT. XAVIER UNIVERSITY GYM CORRIDOR - CONTINUOUS

We pick up Stephen walking with Ida.

IDA
You're making me look bad.

STEPHEN
How so?

IDA
I just filed a story that said you were off the campaign and Thompson was going to Pullman.

STEPHEN
You can't believe everything you read.

IDA
I want to give you an opportunity to comment on my next story. It says that you delivered Thompson...You got the three hundred and fifty-six delegates, you delivered the nomination. And all you asked in return was Paul's job. Any chance of you confirming that?

They approach a security guard standing by a set of double doors.

STEPHEN
No press beyond this point...she's press. I'll read about it in the funny papers.
IDA
Come on Stephen...aren't we friends anymore?

STEPHEN
You're my best friend Ida.

And Stephen walks through the doors.

INT. XAVIER UNIVERSITY - GYMNASIUM - A FEW MINUTES LATER

We're now in tight - One PERSON is putting a mic on Stephen while the OTHER is applying make-up.

No one speaks.

The sound man then puts an earwig into Stephen's ear.

SOUND MAN
You should be able to hear them...do you hear them?

We hear the buzzing in his ear of the broadcast from New York.

STEPHEN
Yeah I can hear them.

SOUND MAN
Good, quick mic check can you count to ten for me?

Stephen counts to ten. Everyone stands behind the camera. The sound man with his headset on whispers..

SOUND MAN (CONT'D)
They're coming to you in about forty five seconds.

We sit in silence staring at Stephen's face.

Ten seconds - nothing.

Twenty seconds - nothing

This scene starts to resemble our opening - A dark auditorium - only a few people doing their individual jobs.

Stephen looks at two interns holding clipboards and cell phones.

(CONTINUED)
CONTINUED:

The FIRST AD is sitting on the floor talking on his headset.

The CAMERAMAN makes adjustments.

A MAN sweeping the gym floor in the distance.

They all seem to be staring at him. They probably aren't - but he feels it. The enthusiasm and excitement of Stephen has given over to emptiness. The price of winning at all cost.

We stay on Stephen's face.

We now hear the Governor's speech through Stephen's earwig.

GOV. MORRIS
Senator Thompson I am proud that you have brought integrity back to this election. Because that's what this comes down to, integrity. Who we are. Because how we project ourselves to the rest of the world matters!...Dignity matters!...Integrity matters!...Our future depends on it!

Forty seconds - the silence is broken by the SOUND MAN.

SOUND MAN
Coming to you in five...four...three...two...

Through the earwig we hear an JOHN KING.

JOHN KING
We now have Governor Morris's new senior campaign advisor, Stephen Myers, coming to us from Xavier University where Senator Thompson has just endorsed Governor Morris, essentially ending this primary race. (To Stephen) Stephen, can you give us some insight into how this whole thing unfolded?

And before he can answer we:
